as a powerful teacher and inspired leader?*

Yoga as Leadership & Lifestyle

The purpose of the Be Luminous Teacher Training program is to empower you to live a joyful, vibrant and fulfilled life so that you may inspire others to do the same. It is our firm belief that happy, healthy people are the only people who can build a happy, healthy world. This is the work of being a teacher. It begins with the individual and spreads as you live yoga - live union - in your life.

The Be Luminous Yoga Teacher Training is not only a journey into the 8 Limbs of Yoga and a deep experiential learning of anatomy and asana, but it is also a journey into self-discovery. Whether you plan to teach yoga or not, you will leave this training brighter, ready to lead boldly in all that you do.

Teaching is an art. It requires precision, grace, intuition and knowledge, all perfectly balanced. To teach yoga is a particularly rewarding challenge; you must show up completely in the moment, available to your students with a profound willingness, vulnerability and strength.

How does the Be Luminous Yoga Teacher Training program prepare you to take on your role as a teacher? Our Teacher Training program engages you in practical & established techniques of teaching, alongside a well-rounded curriculum in the 8 Limbs of yoga, with a focus on teaching for positive personal and global transformation through asana and meditation. You will learn to sequence a yoga class, apply anatomy to assisting, and explore modifications for niche groups. The program is anchored in the Baptiste Power Vinyasa philosophy and sequencing that provides a strong foundation in the general practice of yoga and enables you to apply this training toward various styles. The program includes a significant emphasis on the practical tools of teaching yoga and direct feedback on your teaching, including videos, and culminating in a free public.

Upon successful completion of the Be Luminous Yoga Teacher Training, you are eligible to apply for your 200 RYT certification with the Yoga Alliance.

The program well exceeded my expectations.

General Delineation of Hours

Below is a general overview of the hours we will spend on various elements of yoga teaching and practice:

Topic	Learning Experiences (sample)	Allotted Hours
History & Philosophy	Reading, Discussion, Personal Exploration, Writing, Lecture	60
Asana, Meditation & Pranayama	Practice, Hands-On Assisting, Video Taping, Feedback Sessions (formal & informal), Discussion, Asana Clinics	100
Anatomy & Physiology	Lecture, Reading & Coloring, Hands-On, Worksheets	30
Teaching Practicum	Practice teaching, giving and receiving feedback, working on voice and way of being	30

Training Expectations

Our sessions together will be packed full. They promise to be fun and challenging. We will practice, meditate, videotape ourselves, assist, engage in discussion, and more. This program is about exploration and we ask that you to show up curious, willing and engaged. Attendance for *ALL* scheduled hours is required for completion of the program.

We will have short breaks each day, and a 45-minute lunch break in our full days. You can bring your lunches or plan to eat at one of our local stops at 2200 Westlake (the complex BLY is in).

Parking for 10-hour stretches can be found in adjoining lots for far less than the 2200 building parking, or with early bird entry into the 2200 lot. We can validate for a maximum of 2.5 hours of your stay in our parking garage should you choose to park there. If you choose to drive to the studio, please realize parking is your own expense. We will do the best we can to accommodate parking needs, but we cannot craft the program to coincide with parking hours. We recommend that you carpool, bus or walk if at all possible.

Assessment & Transcripts

Formal completion of the program and the right to apply for certification through the Yoga Alliance is based on a combination of attendance of *ALL* weekend hours & participation, and completion of *ALL* written assignments, quizzes, assisting, taped teaching, your personal focus project, and a final exam. *If you do not complete all of your written work, and pass all of your quizzes and exams with 70% or more by the Thursday at 4 pm of the last weekend, you will be charged a \$150 completion fee to complete the program after the program has formally concluded.*

Assessment rubrics will be given ahead of time to help you prepare for assessment of hands-on assisting, teaching and such. Short quizzes on anatomy, asana and some key features of philosophy will help you prepare for the final exam along the way and they ensure a basic level of knowledge of key elements of yoga, asana and anatomy. You must pass the final exam with 70% or higher to pass the course. Any make-up work must be completed by the first day of the last weekend of training.

You can rest assured that you will be given all the tools you need to be successful in this program. The goal is authentic learning. Using assessment as an integral part of that can actually be enjoyable. The purpose is for assessment to be a natural extension of what you are learning without a lot of extra pressure.

Upon course completion, you will receive a transcript indicating a pass or fail grade for the course. If a passing grade, you will also receive a certificate of completion allowing you to register with the Yoga Alliance. Be Luminous Yoga will maintain your transcript record for up to 50 years. To request a transcript after program, please email us with a request. All requests must be received in writing and take 7 business days to process.

Attendance & Student Conduct

The scheduled training days are incredibly important, not only for your learning and to fulfill the Yoga Alliance requirements, but also for the group. Our community energy, sharing and discussion creates the richness and context for growth that the program can offer. In short, you matter to the training!

Each student will also be held to high standard of conduct, demonstrating respect for their peers and maintaining confidentiality for each person in the training. We expect that you refrain from the use of alcohol and recreational drugs during program hours. Any form of bias, sexual harassment, violation of state or federal laws, or proven dishonesty will be grounds for dismissal from the program and refunds handled according to the school's refund policy.

Failure to attend all required hours, or failure to complete all required work, means you will not receive a certificate of completion and not be eligible for the 200 hour Yoga Alliance RYT certification. Again, all work must be completed and turned in by Thursday at 4 pm of the last weekend or you will be charged a \$150 completion fee.

The Yoga Alliance Certification is based in large part on the number of contact hours you have with pre-qualified instructors. All scheduled training days are required to account for your hours. We understand

that emergencies may arise. In order to make up that time, you will need to schedule time directly with Michel in the exact number of training hours you missed.

The cost for make-up sessions is \$90 per hour. For a full day missed (10 hours) this would be \$900 per day. More detail will be given at orientation.

The program is conducted in English and will require that the applicant is proficient in English. The student must also demonstrate reasonable yoga experience, and be able to articulate why the style of yoga taught through this program is of interest and value to them.

Cancelation and Refund Policy

1. The school must refund all money paid if the applicant is not accepted. This includes instances where a starting class is canceled by the school.
2. The school must refund all money paid if the applicant cancels within 5 business days (excluding Sundays and holidays) after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.
3. The school may retain an established registration fee equal to 10 percent of the total tuition cost, or \$100, whichever is less, if the applicant cancels after the fifth business day after signing the contract or making an initial payment. A "registration fee" is any fee charged by a school to process student applications and establish a student record system.
4. If training is terminated after the student enters classes, the school may retain the registration fee established under (3) of this subsection, plus a percentage of the total tuition as described in the following table:

If the student completes this amount of training:	School may keep this percentage of the tuition:
One week or up to 10%, whichever is less Up to 17.5 hours of training.	10%
More than one week or 10%, whichever is less, but less than 25% From 17.5-43.75 hours completed.	25%
25% through 50% From 43.8-87.5 hour completed	50%
More than 50% From 87.6+ hours completed.	100%

5. When calculating refunds, the official date of a student's termination is the last day of recorded attendance:
 - a. When the school receives notice of the student's intention to discontinue the training program; or,
 - b. When the student is terminated for a violation of a published school policy which provides for termination; or,
 - c. When a student, without notice, fails to attend classes for thirty calendar days.
6. All refunds must be paid within thirty calendar days of the student's official termination date.

Important Refund Addendum

**To simply the refund policy, and to work in your favor, we calculate the refund hours based on program contact hours only. We have subtracted the pre-study work and between session work. Please note that the "week" is a term required by the State of Washington, but does not apply to the program structure. Refunds are calculated based on the contact hours you attend in the scheduled sessions of the program.*

Dear Teacher Training Applicant,

Thank you for applying to 2017 Be Luminous Yoga Teacher Training. We could not be more excited to work with you as a dedicated yoga student who is ready to dive into new areas of growth in your own practice and share what you love in a whole new way.

The purpose of the Be Luminous Teacher Training program is to empower you to live your most vibrant, creative life, and gain the tools necessary to lead others in doing so whether you plan to teach yoga or not. If you do want to teach, we are committed to you becoming a strong, inspiring teacher and *you will be ready to teach at the end of this program.*

Our program is limited to an 8:1 student/faculty ratio. We encourage you to apply early, especially if you are interested in the installment plan, as we believe space may fill this year with only one training on hand.

For 2017, applications will be reviewed at the May 15 & June 23 deadlines. If space permits, we will accept rolling admissions after the June 23 deadline.

Once you are admitted to the program, and returned your Enrollment Agreement with your initial payment, you will attend an orientation meeting to be followed by individual homework and class attendance.

Our commitment is for the training to lead you to live yoga in your life in a whole new way. Starting where you are, just as you are, you will walk out the other end with something vastly new open and available to you. To achieve this, the entire program is designed as an experiential process. For this reason we ask for your full commitment to the program, including showing up on time and prepared for each session, giving yourself to the work and process during the months between meetings, and giving generously of yourself with the group. You will be asked to dig deep and share yourself fully.

With this level of commitment, we have no doubt that you leave this Teacher Training program not only competent as a teacher of asana, but able to inspire as a powerful yoga teacher in its biggest sense. We look forward to working with you, and appreciate the opportunity to teach, share and grow with you.

Namaste,

Michel, Tina & Scott

Any changes in the agreement will not be binding on either the student or the school unless such changes are acknowledged in writing by an authorized representative of the school and by the student or the student's parent or guardian if he/she is a minor.

CANCELLATION AND REFUND POLICY:

1. The school must refund all money paid if the applicant is not accepted. This includes instances where a starting class is canceled by the school.
2. The school must refund all money paid if the applicant cancels within 5 business days (excluding Sundays and holidays) after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.
3. The school may retain an established registration fee equal to 10 percent of the total tuition cost, or \$100, whichever is less, if the applicant cancels after the fifth business day after signing the contract or making an initial payment. A "registration fee" is any fee charged by a school to process student applications and establish a student record system.
4. If training is terminated after the student enters classes, the school may retain the registration fee established under (3) of this subsection, plus a percentage of the total tuition as described in the following table:

If the student completes this amount of training:	School may keep this percentage of the tuition:
One week or up to 10%, whichever is less (For this training, this means a completion of 17.5 hour or less on actual training dates.)	10%
More than one week or 10%, whichever is less, but less than 25% (17.6-43.75 hours completed)	25%
25% through 50% (43.8-87.5 hours completed)	50%
More than 50% (87.6 + hours)	100%

5. When calculating refunds, the official date of a student’s termination is the last day of recorded attendance:
 - a. When the school receives notice of the student’s intention to discontinue the training program; or,
 - b. When the student is terminated for a violation of a published school policy which provides for termination; or,
 - c. When a student, without notice, fails to attend classes for thirty calendar days.
6. All refunds must be paid within thirty calendar days of the student’s official termination date.

IMPORTANT CLARIFICATION OF REFUND POLICY for this program: To simplify the refund policy, and to work in your favor, we calculate the refund hours based on program contact hours only. We have subtracted the pre-study work and between session work. Please note that the “week” is a term required by the State of Washington, but does not apply to this training for the weekend training purposes. Refunds are calculated based percentage of 170 contact hours you attend in the 5 scheduled program dates before withdrawal. Exact hours are listed above.

NOTICE TO BUYER

Do not sign this agreement before you read it or if it contains any blank spaces. This is a legal instrument. All pages of this contract are binding. Read both sides of all pages before signing. You are entitled to an exact copy of the agreement, school catalog, and any other papers you may sign and are required to sign a statement acknowledging receipt of those.

CANCELLATION OF CONTRACT

If you have not started training, you may cancel this contract by submitting written notice of such cancellation to the school at its address shown on the contract. The notice must be postmarked no later than midnight of the fifth business day (excluding Sundays and holidays) following your signing this contract or the written notice may be personally or otherwise delivered to the school within that time. In event of dispute over timely notice, the burden to prove service rests on the sender.

UNFAIR BUSINESS PRACTICES

It is an unfair business practice for the school to sell, discount, or otherwise transfer this contract or promissory note without the signed written consent of the student or his/her financial sponsors if he/she is a minor and a written statement notifying all parties that the cancellation and refund policy continues to apply.
